Saxon... High... Lights

By BONNIE WILLIAMS
FR. 2-4623

The Saxon varsity lost its fourth game last Friday night to the Morningside Monarchs 39-0. Morningside is one of the best teams in the Pioneer League and is expected to take the pennant.

This was North High's first league game and they fought hard. A few players were unable to play due to injuries received during practice.

First Saxon Victory
The Bees won their first game and the first win in the short history of North High last Thursday when they beat Morningside 13-7. The Bee players appear a lot happier since the victory.

Casualties
Jim Whitley is in the hospital with a ruptured kidney and a hip injury received during football practice last week. Whitley, only a sophomore, plays guard and halfback.

Kendall Beight is out with a fractured jaw, and we understand he may lose some teeth. Beight, a senior, wears number 16 on his back and plays guard.

Captain Billy (Little Beaver) Reeves got hit pretty hard during the third quarter of the Morningside game. Also shaken up were fullback Ray Grieshaber and tailback Jim Powers.

Grid Queen Semi-Finalists
The top fifteen contestants for the Grid Queen title were announced at the rally last Friday. Those selected were Ann Bayliss, Beth Ladd, Arlene Lesar, Jo Ann Hiramoto, Marie Osterloh, Pauline Guilliano, Pat Webb, Pat Hogan, Mitz and Diane Trimiew, Rosanne Hamilton, Carol Fair, Gail Patterson, Sharon Rich, and Midge Simons. The queen-elect will reign over all the Grid Week activities beginning Monday, October 31,

and concluding with the Beverly Hills game, Friday, November 4. The students will vote again to select the top five and the final vote will determine the Grid Queen and the four attendants. Grid Week takes the place of homecoming as North High has no alumni.

Parents Return to School
November 8 at 8 is the date and time set for "Open House" at North High. The parents will be programmed into their children's daily classes where they will meet his teachers. They will hear of the progress their child is making. It will be a shortened school day with snack time provided.

The object of this activity is for the parents to see the school and learn what their child has accomplished. It provides the opportunity for the parents to meet the teachers and vice-versa. "There will be everything from square-dancing to scientific experiments planned for the Open House," announced Vice-Principal Carl Ahee.

'Punishment' Sermon Title

The lesson-sermon on "Everlasting Punishment" in the First Church of Christ Scientist, 1750 Manuel Ave., this Sunday will include Peter's raising of Dorcas from death as related in Acts (9:40).

In a correlative passage from "Science and Health with Key to the Scriptures," Mary Baker Eddy said, "In the science of Christianity, mind, omnipotence, has all-power, assigns sure rewards to righteousness, and shows that matter can neither heal nor make sick, create nor destroy."

This five day preaching mission is a part of the complete program of the Area Mission in which 125 churches in this area are participating.

No admission will be charged spectators but those participating will be asked to pay a nominal fee.

First and second place trophies will be awarded in three divisions: sports car, medium car, and big car class. The obstacle course competition is open to all interested individuals.

The Torrance Police Car Club association was formed about eight months ago and now includes the following clubs: Chasers, Ambassadors, Shafters, Prowlers, Playboys, Chiefs, and Waiters of Lomita.

At 6:30 on Sunday evening, October 30, the First Methodist church will hold their first session of the annual school of mission.

This year's school will revolve around the theme, "To Combine our Efforts for Lasting Peace." The senior high Youth Fellowship and the Wesley Fellowship are the two groups planning the events in connection with the school.

This is part of their Fall action project, "Toward Christian World Community."

As part of the four successive Sunday evening programs, Rev. John L. Taylor, minister of the church, will review the study book, "To Combine our Efforts for Lasting Peace," a symposium dealing with the problems involved in securing freedom from war and aggression.
